

## Several chain restaurants in Jacksonville score well for health

**By The Times-Union**

Administrative assistants have a special spot in the heart of **Saladworks** Chairman **John Scardapane**.

"The rock that all businesses depend on every day," is how he referred to them in announcing plans for the chain to give away a free Avocadolicious Salad to administrative assistants. The offer is good at both Jacksonville locations from 11 a.m. to 3 p.m. Wednesday, which is Administrative Professionals Day.

A business card or some other proof of occupation is necessary.

**Food:** Salad, soups and wraps.

**Locations:** 9501 Arlington Expressway and 10300 Southside Blvd.
