Chef Burke teams with Saladworks

CONSHOHOCKEN , Pa. (June 23, 2008) Saladworks has partnered with celebrity chef David Burke to create a special salad for its Signature Series program, said officials from the 95-unit fast-casual chain.

Burke's Chicken Asparagusto salad will be available systemwide July 15 through Sept. 30. The salad is made with fresh chicken, grilled asparagus, cucumbers, sweet peppers and almonds on iceberg and romaine lettuce and topped with Caesar dressing.

For his participation in the project, Saladworks donated \$5,000 to Table to Table, Burke's favorite charity. The community-based program delivers free prepared foods to drug rehabilitation centers and homeless shelters in northern New Jersey.

Burke's restaurants include davidburke & donatella in New York, David Burke in Las Vegas, and David Burke Primehouse in Chicago.
